Last fall a load of [pizza joints signed on to open in LoDo](#); now it looks like LoDo could soon be swimming in sushi.

[Blue Sushi Sake Grill](#), an Omaha-based chain, has signed on to take the space at 1616 16th Street that had once been half of Dixons. "We are excited to announce that we will be opening our 5th location this summer," reads the [Blue Sushi website](#). "We're going to Denver!"

Two blocks away at 1520 Blake Street, the former home of Organixx has been leased to another sushi spot. The oldest sushi joint in Lodo is [Sonoda's](#), at 1620 Market Street; it's part of a homegrown chain of four restaurants.
